 PARALOS LIFESTYLE BEACH BY YOU + ME	QUALITY MANAGEMENT SYSTEM PROCEDURE	Code Π-04 Version 1st 01/07/2021
Occupational Safety and Health Policy		

The LIFESTYLE Hotel Policy for occupational safety and health (A&Y) issues, consists of the following principles and intentions and is applied in all its activities.

Principles

The management of the company undertakes:

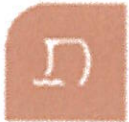

- Carrying out the work in such a way and in such an environment so as to ensure as much as possible the safety and health of the company's staff, the environment and other affected people within the company's premises.
- For compliance with all relevant laws and regulations regarding safety and health in the workplace and other requirements to which the company subscribes. Also for the development of the management system to comply with legislative and operational changes.
- To provide the necessary resources to enable the implementation of this policy.
For the continuous improvement of the system

Employment / employment and exploitation of children

- In any case we do not employ children.
- In general, with regard to children, in case we notice something illegal, illegal employment or sexual exploitation, we are obliged to report it immediately to the competent authorities.

Our intention is:

- The reduction of accidents at work in the workplace and the improvement of facilities and working methods.
- Continuously identify, assess and control the safety and health risks associated with our activities and implement appropriate pre-action procedures.
- To set and review the goals and objectives for safety and health at work and to implement an action plan, to reduce the risks related to occupational R&D.
- To Support and ensure that everyone receives appropriate training in professional R&D.
